3" INSULATED ROOF

VERSATILE, ATTRACTIVE, REASONABLY PRICED

Provides protection from the hot sun and lowers the temperature by twenty degrees underneath the cover. It's the ideal product for patios, carports, entry covers, glass enclosures, and screen enclosures.

PRICING DETAILS ON BACK.....

Since 1948, Mason Corporation has been a manufacturer of aluminum products for the home improvement industry. The insulated roof featured on this page is just one of the many fine products we manufacture or distribute. You can count on Mason for quality and service.
