

Legance

PATIO DOORS

Strength, beauty and energy efficiency for the largest window in your home.

The High-Performance Legance Patio Door

The Legance™ Patio Door System provides homeowners like you strength and energy efficiency for the largest window opening in your home. Standard features such as the fully-welded vinyl construction with aluminum reinforcement, superior wedging interlock and exclusive monorail track are just a few of the design enhancements that will enable the Legance™ Patio Door to provide you years of performance and comfort.

The Legance™ Patio Door offers a wide range of options to add character while complementing the decor of your home. Choose from two or three-panel door styles, decorative grid accents and fashionable hardware options. You can also achieve a stained-glass look with your patio door by selecting from the elegant glass patterns in the DreamGlas® Gallery Collection. For additional privacy and the ultimate in convenience, our Inside-the-Glass, Vari-Tilt™ Mini-Blinds* are the perfect solution.

Designed & Detailed for Lasting Performance

- ① Fully-Welded Construction for rigid, long lasting performance
- ② Grooved Aluminum Walking Plate provides an area to scrape off dirt and soil, keeping your home cleaner
- ③ External Key Lock
- ④ 13/16" Insulating Glass featuring Warm-Edge Technology

Superior Wedging Interlock for increased security and reduced weather infiltration

Monorail Track Design and Anti-Racking System enable the door to glide smoothly.

Heavy duty hanging screen with Accu-Track Anti-Racking System.

5', 6' and 8' two-panel config.
9' and 12' three-panel config.

NFRC certified and tested to AAMA's strict standards

Standard Dual-Point Grappling Hook Lock increases security by drawing the sash tight to the frame. Shown with optional Brushed Nickel hardware.

Recessed Security Bolt is conveniently mounted on the trailing edge of the operating sash, enhancing the security of your patio door. Available in Brass or Brushed Nickel.

Legance Patio Door Energy Saving Glass Systems

The Legance™ Patio Door offers a variety of optional insulating glass systems with our Peak Performance™ Family of Glass packages. Select from Dual or Triple-Pane Insulating Glass Systems featuring LoE² Glass and Argon or Krypton Gases. These glass units are sealed with Warm-Edge Technology Spacer Systems to enhance your patio door's thermal performance, while saving you money on your heating and cooling bills.
